FERTILIZER

Champion is an authorized distributor of Shaw's professional fertilizers, manufactured by Knox Fertilizer Company, an Indiana-based turf industry leader with over 70 years of experience. Every Shaw's product is built around Knox's SurfCote polymer-coating technology, delivering controlled, slow-release nitrogen that feeds lawns evenly and consistently. That means fewer application passes and better results for your clients. Whether you're running a full 4-Step seasonal program or sourcing product by the pallet, we stock the complete Shaw's lineup at contractor pricing.

NATURAL STONE

Champion stocks a wide selection of natural wall stone and flagging to give your hardscape projects a clean, finished look that lasts. Available in snapped and cut varieties, our wall stone comes in buff, tan, midnight blue, and gray tones, giving you the flexibility to match any landscape design. From garden borders and raised beds to small retaining walls and pathway edging, these natural stone products are built to handle the demands of professional installation.

HAND TOOLS & EQUIPMENT

HAND TOOLS

As an authorized retail supplier of A.M. Leonard Tools, Champion carries a full lineup of professional-grade hand tools: rakes, pitchforks, hoes, shovels, spades, and more. Built for durability and long-term reliability, these tools are designed to withstand the demands of daily professional use, year after year.

SPREADERS

Earthway spreaders are built in America using high-quality steel and premium components, engineered to perform reliably on the job, season after season. Champion carries Earthway's line of broadcast and push spreaders, giving your crew the precision and durability needed to get the job done efficiently and on schedule.

GATORLINE TRIMMER LINE

Gatorline Trimmer Line is built for the demands of professional landscape crews who can't afford downtime. Engineered with Oregon's proven co-polymer formula, Gatorline delivers exceptional durability and break resistance, even in the toughest cutting conditions around rocks, fences, and hardscape. Its aggressive shape quickly and efficiently cuts through heavy overgrowth, reducing time spent reloading and keeping your crew moving. Available in multiple diameters and spool sizes to fit commercial-grade trimmers, Gatorline is the dependable choice when the job has to get done right.

OIL & LUBRICANT

Champion carries Oregon Kinetix oils and lubricants to keep your equipment running at peak performance. From 2-cycle and 4-cycle engine oils to bar oil, extreme-duty bar oil, and hydraulic fluid, we stock everything your crew needs for chainsaw and power equipment maintenance.

Available in quart and gallon sizes, plus No-Spill gas cans in 1, 2.5, and 5 gallon sizes, so you stay fueled up and ready to work.

FIREWOOD

Champion stocks premium hardwood firewood, seasoned, split and ready to pick up or deliver. Add firewood to your service offerings and keep your clients stocked all season. Available for pickup or local delivery across Dayton and the surrounding areas.

SALT AND SNOW REMOVAL PRODUCTS

LOOKING FOR A SALT SUPPLIER YOU CAN COUNT ON?

For nearly 20 years, Champion has supplied bulk road salt to municipalities, contractors, and government agencies across Ohio, Indiana, and Kentucky. We buy direct from the original suppliers and from regional sources closer to home. Our own terminal on the Ohio River in Cincinnati is what makes that possible. Our fleet delivers straight to your site with no middleman, so you get a better price and a delivery date we stand behind.

That reliability matters most in a hard winter. When demand runs high across the country and southern states pull from the same stock, salt gets scarce fast. Even in a lean year, we do everything we can to keep our customers supplied.

Our Buy-In Guarantee locks in your tonnage and your price before the season starts, with your material reserved all winter long.

Call 937-228-2730 or email info@gotochampion.com to reserve yours before winter.

PACKAGED SALT & ICE MELT

Champion is the Tri-State's leading wholesale distributor of bagged winter rock salt and ice melt blends. Whether you need a single bag, a pallet, a truckload, or multiple truckloads, our buying power keeps your cost per bag low. We carry the full range: standard halite rock salt, blends built for colder-temperature applications, and formulas that are safer for concrete, pets, and plants. Backed by direct supplier relationships and our own delivery fleet, we keep you supplied through the worst of the season. Scan the code below to lock in pricing before the first storm hits.

CHAMPION QUAD EFFECT

Rated to -20°F. Faster, broader melting, with corrosion inhibitors to protect concrete.

Our pink Contractor's Choice Ice Melt gives back. In partnership with Pink Ribbon Good, every bag helps provide 500 meals and 200 rides to treatment for families fighting cancer right here in our region.

CLEARING ICE, CRUSHING CANCER.

SERVICES

LAND CLEARING

Champion offers comprehensive site clearing and excavation services for industrial and commercial clients. With over a decade of experience, our expert crew uses specialized equipment, including excavators, bulldozers, stump grinders, and more, to handle projects of any size and on any terrain. From grading and debris removal to backfilling and complete project management, we deliver efficient, high-quality results tailored to your project's unique needs.

MOBILE GRINDING

Champion provides powerful on-site mobile grinding services that transform wood, pallets, brush, and construction debris into reusable organic material such as mulch or compost. With 1,000+ horsepower grinding capacity and experienced operators, our fleet handles everything from local land clearing and storm cleanup to large-scale disaster response. We reduce hauling costs, recover usable material, and keep your project moving efficiently from setup to cleanup.

DUMPSTER RENTAL

Champion delivers 10, 20, 30, and 40-yard roll-off dumpsters across the greater Dayton region, with fast drop-off, flexible rental periods, and straightforward pricing within a 40-mile radius of our Dayton headquarters. From garage cleanouts and home remodels to large-scale construction and commercial projects, our team helps you choose the right size, places containers safely, and works around your timeline. Serving Dayton, Huber Heights, Beavercreek, Centerville, and surrounding communities.

GREEN DUMPING AND RECYCLING

Champion makes green waste disposal simple, affordable, and environmentally responsible. With three convenient drop-off locations in the Dayton area and no appointment needed, homeowners, landscapers, and contractors can quickly dispose of brush, trimmings, and organic yard waste starting at just \$30 per load. Annual Dump Memberships are also available for frequent haulers. We keep green waste out of landfills and support cleaner, healthier communities.

WHO WE ARE

Nobody brags about their supplier.

They brag about their yard, their job site, or their finished project.
I get that, and honestly, that's just how I like it.

I started Champion Mulch in 2008 with one truck, helping snow removal crews around Dayton keep their gear running through the night. I was the one answering the phone at 2 a.m. during a blizzard, not because I had to, but because a contractor needed help, and that was enough. Customers started asking for salt, then mulch, then topsoil, and more. I said yes every time. Today, we're a trusted landscape supply company with four locations serving Dayton, Cincinnati, and the surrounding areas.

Champion has now grown into one of the largest mulch manufacturers and salt importers in the region. Still, I haven't forgotten what it's like to be a small-business owner on a tight budget trying to deliver results. Whether you're a landscape pro who needs a reliable supplier or a homeowner who wants a yard worth showing off, we're here for one reason: to make you look good.
To every contractor who has loaded up a truck at one of our yards.

THANK YOU!

Matthew Brun
